

**Addendum #2
October 8, 2019**

Village of Lake in the Hills

**SSA 51 – Water Main Improvements
Job No.: 181484**

The Bidding Documents have been revised/clarified based on the information listed below.

PLANS

ENTIRE SET

Please note the entire plan set has been updated to remove typos and add cross sections. Of note, Sheet C-13 has been updated, to clarify the 700 series water main tags. Sheet C-15 has been updated and now contains the proposed cross sections for the 3 directional drills under the creeks.

The revised plan set can be found on the ftp site under Addendum #2.

ADDITIONAL INFORMATION

Clarification

The West Connection shown on sheet C-14, lower view, is also known as the Interconnect. This has a special provision and separate pay item.

This Addendum #2 **must** be attached and signed with your Proposal.
