THE VILLAGE OF LAKE IN THE HILLS

**VILLAGE HALL COUNTER REHAB
HR GREEN Job No. 171851**

The contract documents for the above referenced project are hereby amended as set forth below. The information contained within this Addendum No. 1 shall be treated as if it was originally contained within the contract documents.

1. INFORMATIONAL – Pre-Bid Meeting Sign In Sheet

The Sign-In Sheet from the Pre-Bid Meeting is attached.

2. CLARIFICATION – Work Schedule

Contractor would be allowed to work out side of the normal operation times of the building, however, room rentals, night meetings and other activities regularly occur and scheduling in advance with the Village will be required. A schedule of regularly schedule Village meeting can be found at the Village web site: www.LITH.org.

3. CLARIFICATION – Existing Roll Up Shutters

The Installation instructions and Maintenance Manual for the existing doors has been added to the ftp site for download. This is the best information the Village has on the doors. The intent of the project is to match the existing shutters for the new opening.

4. CLARIFICATION – Question “Can you confirm that we will not need to add cut out slab and add new footings for the steel columns supporting the new beam?”

IT is not anticipated that any new footings or removal of existing slabs will be required.

5. CLARIFICATION – Plan Sheets

There are only 3 plan sheets being issued for this project. No cover sheet is included. All other drawings or plans are informational only.

6. CLARIFICATION – Counter Allowance

A material allowance for the countertops shall be \$40/SF and shall include material nad installation.

The undersigned agrees to be bound by the modifications made within this Addendum No. 1, and hereby waives any and all claims based upon the additional or modified information contained herein.
