OPINION OF CONSTRUCTION COST: \$1,298,000.00

ADDENDUM NO.3

February 1, 2024

TO ALL PLANHOLDERS:

The following changes, clarifications, additions, and/or deletions are hereby made a part of the contract documents for the above-referenced project, as fully and completely as if the same were fully set forth therein. All Bidders submitting a Bid on the above Contract shall carefully read this Addendum and give it consideration in the preparation of their Bid.

This Addendum No. 3 consists of the following:

- Addendum No. 3 (pages ADN3-1 through ADN3-2)

SPECIFICATIONS:

1. SECTION 01 1000 SUMMARY:

- a. **CHANGE 1.08.A.1** to the following: "Owner will dewater the influent chamber. The contractor is responsible for dewatering/draining the buried 36-inch influent pipe prior to cutting the pipe and installing the new pipe, fittings and valves. There is approximately 40,000 gallons of capacity in the 36-inch pipe upstream of the influent chamber. Some of the water in the piping should be removed when the influent chamber is pumped down by the City. All flow shall be pumped to the grit chamber."

All bidders shall acknowledge receipt and acceptance of Addendum No. 3 by signing in the space provided on the Bid Form. Bids submitted without Addendum No. 3 being acknowledged will be considered non-responsive.

	I hereby certify that this engineering document was prepared by me or under my direct personal supervision and that I am a duly licensed Professional Engineer under the laws of the State of Iowa.
