Interpretation of the Contract Documents. If any prospective bidder is in doubt as to the true meaning of any parts of the contract documents, the bidder may request an interpretation from the Engineer, 5525 Merle Hay Road, Suite 200 Johnston, IA 50131, Ph: 515-657-5280 or email to [dbraun@hrgreen.com](mailto:dbraun@hrgreen.com) per SUDAS Section 1020, 1.05.

Public Hearing on Proposed Contract Documents and Estimated Costs for Improvement. A public hearing will be held by the City Council of the City of Williamsburg on the proposed contract documents (plans, specifications and form of contract) and estimated cost for the improvement at its meeting at 6:30:00 PM on November 12, 2024 in the City Hall, 210 W. State Street, Williamsburg, IA 52361.

Preference of Products and Labor. Preference shall be given to domestic construction materials by the contractor, subcontractors, material, men, and suppliers in performance of the contract and, further, by virtue of statutory authority, preference will be given to products and provisions grown and coal produced within the State of Iowa, and to Iowa domestic labor, to the extent lawfully required under Iowa statutes.

Sales Tax Exemption Certificates. The bidder shall not include sales tax in the bid. The City of Williamsburg will distribute tax exemption certificates and authorization letters to the Contractor and all subcontractors who are identified. The Contractor and subcontractor may make copies of the tax exemption certificates and provide a copy to each supplier providing construction materials. These tax exemption certificates and authorization letters are applicable only for this specific project under the Contract.

General Nature of Public Improvement. The stabilization of 8 locations along the south bank of Old Man's Creek totaling a length of approximately 2,900 feet. Stabilization consist of excavating the existing south bank to create more mild side slopes and a 10-foot wide bankfull bench. Additional stabilization practices include stone toe protection, turf reinforced mats, rolled erosion control product, and seeding. No channel realignment, in-stream grade control features, or proposed fill activities are included in this project.

This Notice is given by authority of the City of Williamsburg
