AND MAINTENANCE BOND:** 100% of the Total Contract Price

COMPLETION DATE: June 15, 2027

The work in general includes the following:

The work shall consist of restoration of approximately 5 acres of undeveloped residential lots into a nature park. The improvements will include excavation and construction of a 1/3 acre naturalized fishing pond, site grading, 4.7 acres of site restoration including tree removal, brush clearing and establishment of native vegetation and plantings, 0.5 acres of wetland enhancement, 1,911 square yards of crushed gravel walking path, 387 lineal feet of boardwalk through the on-site wetlands, installation of one prefabricated gazebo, other park features including benches, and other related work as indicated on the Engineering Plans.

Plans and Specifications may be obtained at no cost from:

HR Green, Inc.
1391 Corporate Dr, Suite 203
